The University of Arizona

Vehicle Rental

The University of Arizona Motor Pool is a competitive and economical option for renting vehicles for University business. Check out all the added benefits!

No Worries!

When you rent a vehicle through the Motor Pool, you are automatically insured through State Risk Management.

24 Hour Hotline

The Motor Pool offers a 24 hour hotline to assist drivers in need. Flat tire? Run out of gas? A Motor Pool operator will get you help when you need it most.

Gas Included and No Tax!

The cost of fuel and tax are included in the vehicle rental cost. In addition, on longer trips a 'gas card' is provided for your convenience.

Free Customer Parking

Customers are offered free parking in a lot monitored by surveillance cameras, with an emergency phone and an after hours key drop box.

Weekend Hours

Leaving for your trip on a weekend? No problem! The Motor Pool has weekend hours to meet your needs.

Safe Reliable Fleet

The Motor Pool maintains a modern fleet of vehicles— three years or newer. Each vehicle undergoes a thorough pre and post rental inspection, as well as annual safety and emissions checks.

Emissions & Safety Inspections

Emissions Testing

Our Garage is state licensed to emissions test University vehicles. This can be scheduled (call 621-3028) to save you time, and if repair is needed to make it pass, we can do that too!

Safety Inspections

The Garage can perform your annual vehicle safety inspection and is the designated records keeper for all University vehicles for the Arizona Board of Regents.
